

2026 CASP Project – Serving the Torreon Community

Our fifth CASP Pilot Project is being planned during the months of June – July, 2026. This will be a community service project in and around the Torreon community. The Torreon Navajo Mission near Cuba, New Mexico, will serve as the base for this project. The dates are June 20 – July 17.

This project is an opportunity for young men of draftable age (18-25) who are members of the Dunkard Brethren Church to develop spiritual growth, grow in maturity, enjoy the satisfaction of service, and develop new, deeper, and lasting friendships with like-minded young brothers from across our Brotherhood. The cost is taking a month out of the volunteer's life from a job or whatever else he might be doing. The experience will be somewhat stretching, but rewarding. Usually it is when we get outside of our comfort zones that real growth occurs.

Along with the work projects, emphasis will be made throughout the time of service on outreach in the community, personal spiritual growth, times of Bible study and singing, recreation and other activities to promote spiritual development.

Young men who are interested in serving on this project should contact Bob Lehigh or Mark Cordrey, Jr.

We need at least eight young brothers who are willing to serve in this way. You can help by spreading the word among the young men in your life or in your congregation.

This offer is open to young men who are members of the Dunkard Brethren Church through March 15, 2026. Depending on the response, if there are still openings after March 15, this offer will be open to young men who are of similar faith and practice. We have decided to accept up to 16 young men to serve on this project.

For those who would consider serving on staff, let someone on the Civilian Service Board know shortly as these positions are filling in.

For this project, with the housing available there is an opportunity for young married couples to serve (the husband as an Alternative Service Worker and his wife as domestic staff). Formerly we focused on single young men due to the housing that was available on the other projects.

We deeply appreciate the prayers and support of the Brotherhood during our past projects, and would appreciate that on this project as well.

If you have questions, feel free to get in touch with any member of the Civilian Service Board: Kyle Chupp, Alan Meyers, Seth Skiles, or Bob Lehigh, or you may get in touch with Mark Cordrey, Jr. of the Relief Board.

Thanks so much for your prayerful support and cooperation in this effort.

Sincerely in Christ,
Brother Bob Lehigh
